WHOLE BUCKWHEAT SEED SPECIFICATION

The contents of this document are confidential and intended solely for Minn-Dak use.

This product shall comply in every respect with the Federal Food, Drug, and Cosmetic Act, Federal Laws, State laws, and the requirements of this specification.

Description

North Dakota #1 Grade Buckwheat Seed

Characteristics

Physical

Color:	Black to brown.	
Purity:	99.4%	Minimum
Test Weight:	45Lb.	Minimum

Chemical

Moisture:	16%	Maximum
Protein:	7.0%	Minimum

Intended Use

This product is intended for use as seed or for further processing.

Packaging

This product is normally packed in 50lb multi-walled paper bags, 2000lb poly totes, or shipped bulk. Product name, brand, and production code identify each bag.

Storage and Shelf-life:

Minimum shelf life of 36 months from the date of manufacture, when transported and stored in a clean, dry, infestation-free environment. The product should be stored away from excess heat, moisture, and direct sunlight.

Suitability Information

Non-GMO
Kosher Pareve
Halal Certified
Vegetarian Suitable
Vegan Suitable
Gluten Free Certified*

*Minn-Dak will only provide the WFCF-certified Gluten-Free products per our customer's request. The customer who requests the GF product needs to notify the Minn-Dak Sales team of the preferred test frequency (ex. each lot, etc.) on each purchase order (PO).

Precautionary Allergen Statement

Due to the minor risk of cross-contamination from agricultural practices, non-Gluten-Free products may come in contact with wheat and other grains containing gluten (rye, barley, oats, triticale, Kamut, spelt, and their hybridized strains). We cannot guarantee that the regular product is "Gluten-Free" unless it is a Gluten-Free product. Please confirm with Minn-Dak Sales and the QA team for the GF status. Mustard seed and buckwheat seed share some of the same processing equipment.

Country of Origin

USA

Natural

Our products do not contain any animal derivatives, added color, artificial flavors, or synthetic substances; nor have they been exposed to ethylene oxide treatment (ETO) or propylene oxide treatment (PPO).

Approval: _____ Issue Date: Jan 2026
Title: QA / QC Manager

Upon receiving the shipment, Buyer must report to Minn-Dak Ag any damaged items within 10 days of receiving. Reporting must have evidence by video, photograph, and a detailed description of the condition of the products and the damage in which the item arrived. Minn-Dak Ag will not accept damage claims if products have been removed from their original pallet or box or if protective wrap or cardboard has been removed. Minn-Dak Ag is not responsible for shipping damage, like shifting of pallets, water damage, broken bags due to pallet movement, or mold.
